Off Allocation Water update

Murray Irrigation advises that off allocation water is no longer available to customers supplied from the Mulwala Offtake.

Off allocation access to Wakool customers has been extended to 8am on Sunday 5 September.

However, the Wakool Offtake is restricted to 300ML/day.

Customers wishing to access off allocation water should place an order immediately by calling 1300 781 431.

All off allocation water orders close for Murray Irrigation customers this Sunday 5 September.

This announcement follows the NSW Office of Water's update released this afternoon.
