1	Make them half day meetings or at night time because of work load and getting time to go to the meeting.	3/27/2018 4:04 PM
2	Great presentation on a topic that could be boring but was so well done. Thank you.	3/27/2018 4:01 PM
3	No. More on morning session but short on time no doubt.	3/27/2018 3:54 PM
4	I thought it was fabulous!	3/27/2018 3:51 PM
5	It was very well informed. Excellent.	3/27/2018 3:45 PM
6	I loved Sarah Jane's teaching and presentation - I found the pre reading very helpful - it made me feel more confident to be part of the discussion. It would have been great to get it a little sooner as I ran out of time to read all of it. I wasn't quite sure if I should come or if I would be out of place - I liked that this course was targeted at people who might like to be a director in the future and the broader community. The other speakers were good too.	3/27/2018 3:43 PM
7	It would be good to do this frequently. Perhaps a panel of Board members (interim) would be good. Make it dynamic, although Michael did a great job - very honest. Thank you.	3/27/2018 3:39 PM
