Murray Irrigation

Open feedback forums next week

Murray Irrigation is hosting a series of open feedback forums, starting next Tuesday 14 March.

The Company is currently building the strategy for its future and we would like to include input from our valued customers during this process.

Customers will be asked to provide honest feedback on a range of Company issues. The feedback collated from these forums will be used to assist Murray Irrigation's future decision making process.

All open feedback forums will **start at 9.00am** and finish at 12.00pm with dates and venues as follows:

- Tuesday 14 March: Mayrung Hall;
- Wednesday 15 March: Bunnaloo Hall and Moulamein Bowling Club;
- Thursday 16 March: Wakool Services Club and Finley Bowling Club;
- Friday 17 March: Berrigan Sportsground and Pretty Pine Recreation Reserve.

To ensure an extensive range of feedback is collected, smaller customer feedback groups covering a range of industry groups have also been held to gather specific feedback on industry views within the region.

Please note, customers who have or will attend one of these smaller industry sessions are not required to attend these open meetings, as the same information will be covered.

The results from this round of consultation will be made available through customer meetings held later this year, and also via the Murray Irrigation website.

I hope customers are able to attend one of next week's sessions. Murray Irrigation truly appreciates your time and values your feedback.

For more information, please contact Customer Support on T. 1300 138 265.
