Murray Irrigation

## Customer meetings this week

As part of Murray Irrigation's commitment to effective customer engagement, we will be hosting a series of customer meetings this week to provide an update on key issues and associated activities.

The meetings will be relaxed, informal gatherings and customers are encouraged to talk to our staff after the brief presentations. As part of this new format, we're hoping to better engage with you, our customer, and provide the context behind current activities and our future focus.

Key topics for discussion will include the finalisation of PIOP Round 2 and the commencement of PIOP 3 and associated studies, as well as the new customer service structure and how we will consult for a review of our fees and prices structure.

Lunch will be provided at the day-time meetings with a BBQ dinner supplied at the evening meetings.

Details are as follows:

- Tuesday 17 January – **Blighty** Recreation Reserve, 12.00pm.
- Tuesday 17 January – **Berrigan** Sportsground, 6.00pm.
- Wednesday 18 January – **Pretty Pine** Recreation Reserve, 12.00pm.
- Wednesday 18 January – **Wakool** Services Club, 6.00pm.

I hope that you are able to find time during this busy period to attend one of the above meetings.
