Murray Irrigation

Constitutional change survey online

Didn't have time to get to one of the Murray Irrigation feedback meetings this week?

Not a problem! An online version of the presentation and survey presented at the meetings is now available here: www.surveymonkey.com/r/YVSWCCT.

Shareholders have until **noon Monday 19 February** to complete the survey.

The web-based survey has been developed specifically for those shareholders who were unable to attend one of the nine face-to-face meetings held across the region this week.

The survey, which also contains detailed information about the proposed changes, comprises 18 questions and should only take about 15 minutes to complete.

The questions address proposals for constitutional change that are under consideration and are being presented for feedback from shareholders prior to an Extraordinary General Meeting planned for next month.

NOTE: Remaining shareholder feedback sessions to be held today (Thursday 15 February): Jerilderie Library (2.30pm) and Finley Bowling Club (7.00pm).
