

Phil Endley announced as new CEO

Phil brings a wealth of local and international industry experience to Murray Irrigation and will commence work on Monday, 5 August 2019. Read more [here](#).

Accessing the new Customer Portal

The new Murray Irrigation Customer Portal and Water Exchange (WEX) provides a modern, automated and secure interface for customer's water allocation accounts and water related activities.

[Click here](#) for more information about the new system. Customers need to login and reset their passwords to access the new system.

Tips for changing your password

- The new password requires between 8 and 17 characters, including a capital letter and a number or symbol.
- Use words and numbers unrelated to your account details.
- If you use your name, surname, address details or numbers the system will not accept it.
- [Click here to change your password.](#)
- If you have trouble changing your password call Customer Support on 1300 138 265.

Irrigation opening

The online water ordering system will reopen on Monday 22nd July for customers to place their orders. [Click here to place an order.](#)

Channel filling will be prioritised based on customer demand. A full update on operations for the season will be released next week.

The Winter Works program remains on schedule with offtakes opening 24 July and water delivery planned for no later than Wednesday 15 August.

Contact Customer Support on 1300 138 265 if you need any further information.

Disaster Recovery Testing

Further testing of Murray Irrigation's IT system will be required on Thursday, 18 July 2019 from 5.30pm – 7pm.

Customers may experience some outages through this time if using the customer portal or WEX. **The testing may affect customers intermittently between 5pm – 7pm.**

Annual Piezometer Survey

Murray Irrigation employees will start the annual piezometer survey next week.

Shareholders are advised that Murray Irrigation employees will conduct this work in various locations, including areas away from supply or drainage channels.

Winter Works continue

Drivers are reminded to slow down and follow all traffic management plans during Winter Works, even if they can't see staff working on site.

As part of the works, the following bridges were deemed unsafe and have been closed. Customers have been notified:

- Lower Finley Rd – restoration works commenced 15 July 2019.
- Old Berrigan Rd - will be re-opened for use on Thursday, 18 July 2019.

Please note that Piney Road Bridge has been fixed and has re-opened.

MDBA weekly report – 10 July

The MDBA active storage volume increased by 14 GL this week to 3,301 GL (39% capacity). Read the report [here](#).

NSW Water Allocation update

The DPI-Water has announced no changes to water allocations in their latest update. Click [here](#) to read.

RGA Annual Conference - registrations close 19 July

The two-day conference agenda includes presentations by guest speakers and a trade exhibition, followed by a Gala Dinner on Thursday evening.

The AGM and business reporting sessions will be held on Friday morning, with post-conference tours to follow. The conference will be held on 1 – 2 August. For more information <https://www.rga.org.au/annualconferenc2019>
