Water Exchange Terms and Conditions updated

Murray Irrigation's Water Exchange (WEX) Terms and Conditions will change from Tuesday, 15 September 2020.

These changes are in-line with customer feedback in relation to the WEX.

The following key changes have been made to the Terms and Conditions of the WEX:

- Removal of the requirement for a Buy Bid deposit
- Implementation of a 1,000 ML cap for any Buy Bid listing
- Payment of sale proceeds to sellers within ten days for partial volumes of a whole listing sold
- Where a buyer defaults in its obligation to pay for a successful bid, the transaction is terminated, and the seller must re-list the water for sale.

The updated Water Exchange Terms and Conditions have been uploaded to our website, as well as a version of the document showing the items that have changed.

The updated Terms and Conditions can be found on our website under Water > Services > Water Exchange, or click [here](#) for the current document, and [here](#) for the document showing changes.

All other Murray Irrigation Terms and Conditions remain unchanged.
