

Allocation Advance announced

Murray Irrigation last week announced a five percent Allocation Advance to customers.

More information on this, and our WaterWell suite of products, can be found on our website [here](#).

Supplementary Water

Following DPIE's (Water) announcement yesterday, Supplementary water availability has been extended to Monday, 14 June 2020 in some parts of the Wakool system.

Due to high demand, restricted flow rates have been applied across all orders.

Accelerated maintenance work will enable the Mulwala Canal offtake (upstream of The Drop) and the Southern Channel offtake, to reopen on Saturday, 11 July 2020 for filling with Supplementary water.

Customers in these areas may be able to access Supplementary water when operating heights are reached, and will be contacted on Monday, 13 July 2020 to place an expression of interest.

A possible extension to the Supplementary event has been communicated by DPIE.

June Quarter invoices

June Quarter invoices were issued yesterday, 30 June 2020.

Invoices are due 31 August 2020.

Please refer to the invoice and cover letter for rebate details and payment options.

March quarter invoices are now overdue. Customers who are having difficulties with payment are encouraged to contact the office.

Be Road Safe – follow local traffic rules

Please slow down and obey all traffic control measures that are in place as we work to upgrade bridges within our footprint.

Works are scheduled to completed within the coming weeks.

Updates will be provided in Talking Water each week.

Read more [here](#).

Winter Operations

Customers who are not within a maintenance area may have access to winter water delivery.

Water, however, is not guaranteed through the winter period.

To place an order, please contact Customer Operations.

Murray Irrigation offices remain closed

Don't forget our offices are closed, with limited staff onsite, to ensure we comply with COVID-19 safe regulations.

You can reach our friendly Customer Operations team via phone or email, or utilise our online customer portal for account services.

Online customer briefing available

The online customer briefing will be available for a further two weeks.

We encourage customer feedback on the presentation.

Murrumbidgee inter-valley trade

The Murray to Murrumbidgee inter-valley trade is open. The balance as at 9am, 7 July 2020 is 99.2GL.

Subsequently, Murrumbidgee to Murray is closed with a capacity of 0.8GL.

Details of the Murrumbidgee IVT status can be found [here](#).

Dairy Farming Business Grants

A funding opportunity is available to eligible applicants in dairy businesses, with a focus to improve energy efficiency, reduce energy costs and lower energy consumption.

Grants from \$5,000 to \$20,000 are approved according to eligibility, submission time and distribution of funding.

Applications are open now and will close 17 August 2020.

Further details can be found [here](#).
