

WEX Terms and Conditions Updated

Changes to the Murray Irrigation Water Exchange (WEX) Terms and Conditions have now been implemented, in-line with customer feedback.

The updated WEX Terms and Conditions, and a version with tracked changes, are available on our website, [here](#).

A revised WEX User Guide and updated forms have also been uploaded to the website.

DPIE allocation announcement

The Department of Planning, Industry and Environment (DPIE), today, announced a three percent allocation increase for General Security water entitlements in the NSW Murray zone.

This brings the total allocation to fifteen percent (15%).

More information on water availability and the allocation update can be found on the DPIE's water allocation statement, [here](#).

Customer appointments

Customers who wish to attend the Deniliquin or Finley offices can ring Customer Operations to make an appointment.

Our offices remain closed to the public to ensure that we comply with COVID-19 safe regulations.

We encourage customers to use our online Customer Portal or contact the Customer Operations team via phone or email with their queries.

Customers are reminded that accounts can be paid at any Commonwealth Bank branch or posted to Murray Irrigation at PO Box 528, Deniliquin, NSW, 2710.

Domestic deemed usage credit

Murray Irrigation is offering a 2ML water allocation credit for unused Stock and Domestic pipe outlets for the 2020/21 season.

Application forms are available [here](#) and must be returned to Customer Operations by **5.00pm on Friday, 25 September 2020**.

Contact Customer Operations for a copy of the form, or with any queries.

RGA Next Gen workshops

Ricegrowers Association (RGA) of Australia is offering short online programs, which target the next generation of Agricultural leaders who are connected to a rice growing region.

The courses are fully funded by the government's \$5 million Leadership in Agricultural Industries Fund, and contributions from The Rice Marketing Board of NSW, SunRice and AgriFutures Australia.

For further information, click [here](#).

To register, contact Ainsley Massina (Leadership Coordinator) via [email](#) or phone 0428 859 214.

2020 Optimising Irrigated Grains Project Field Day

The Foundation for Arable Research (FAR) (Australia) will showcase its field research site which has been set up in collaboration with Southern Growers as part of a GRDC funded Initiative "Optimising Irrigated Grains".

The irrigated research site aims to assist NSW and Victorian growers in realising the genetic potential of irrigated grain crops, grown under higher yield potential in the region.

When: 17 Sep 2020 10.00am – 1.00pm.

For more information and to register, click [here](#).

Storage and River Data

Each week, Murray Irrigation provides a snapshot of storage and river data in our Talking Water newsletter.

This data is taken at a point in time from a single source of truth.

Variations can occur across different agency platforms depending on when the data is accessed by the individual agency.

While every effort is made to ensure the data is consistent, we encourage you to access the latest information directly from the MDBA website.

This can be found [here](#).
