

## Murray Irrigation AGM

This year, Murray Irrigation will conduct their Annual General Meeting (AGM) online.

This change is in-line with current COVID-19 restrictions and temporary legislation changes for AGMs.

**When:** 10.30am, Wednesday, 25 November 2020

**Where:** Online via the virtual meeting platform.

Shareholders will receive further information about this, and how to attend online, in the coming weeks.

## Environmental Flows

Murray Irrigation is working with the Department of Planning, Industry and Environment (DPIE) to achieve environmental outcomes throughout the footprint.

Environmental watering is currently taking place in the Cockran, Jimaringle, Tuppall, Buccaneit, Yarrein, and Thule creeks.

## Access track clearing

Contractors are slashing along Murray Irrigation's access tracks in the Deniliquin, Finley and Wakool areas.

This work is part of our standard maintenance practice to ensure clear access to these areas.

## Sir Angus Houston visits the region

Murray Irrigation last week welcomed Murray-Darling Basin Authority's (MDBA) new Chair Sir Angus Houston and CEO Phillip Glyde to the area.

It was a constructive visit in which Murray Irrigation showcased irrigation infrastructure and discussed the challenges faced by local farmers. Read the media release [here](#).

## Water Delivery – Mode Two Operations

Full details of Mode Two operations can be found in the Season Operating Plan [here](#).

## Allocation announcement

As you may be aware, the Department of Planning, Industry and Environment

(DPIE) last week, announced a two percent allocation increase for General Security water entitlements in the NSW Murray zone, bringing the total allocation to 17 percent.

View DPIE's water allocation statement, [here](#).

## Upcoming Annual General Meetings Berrigin Irrigators Council AGM

**When:** 7pm, Tuesday, 6 October 2020
