

## Invoices due

A reminder to customers that Sustainability Product and December quarter invoices are due for payment in the next week.

### December quarterly invoice

Due – Monday, 1 March 2021

### Sustainability Product

Due – Sunday, 28 February 2021

Please allow time for payment to clear.

If you need assistance with your account, or would like to discuss payment options, please contact us.

### Autumn irrigation water intentions

Customers will soon be asked to complete an autumn irrigation intentions survey to inform us of their potential irrigation plans.

The survey and more information will be sent in the coming weeks.

### Would you like to share an event?

If you would like to share details of an industry event or news, please send an email to [info@murrayirrigation.com.au](mailto:info@murrayirrigation.com.au).

All inclusions are subject to space availability and relevance, and no publishing guarantees can be made.

### Rice Industry Field Day 2021

The annual field day is an opportunity for growers and industry stakeholders to engage and view the latest in research and development in the rice industry.

**Date:** Wednesday, 10 March 2021

**Time:** gates open 11.45 am

**Where:** 'Old Coree' (Jerilderie)

For all the details and to register, click [here](#).

### NSW Water Strategy webinar

The NSW Government will host a webinar for public consultation of its draft NSW Water Strategy.

Held this Thursday, 25 February 2021 at 10 am, online, the session will cover the development of the draft strategy and its priorities, as well as an opportunity for questions and feedback.

For more information, visit their website [here](#).

### Free workshops for business success

Currently underway are [free Decision Making and Stress Management for Successful Business](#) workshops in rural communities across the Murrumbidgee Health region.

The workshops are a partnership initiative of The Rural Adversity Mental Health Program (RAMHP), NSW Farmers, and Murrumbidgee Primary Health Network (MPHN).

For a list of locations, and to register your interest, click [here](#).

### How do the channels look?

Many factors impact the quality of our water, including maintenance work, weeds and livestock.

We do our best to provide advance notification when we are aware that there may be impacts on quality.

However, we do rely on customer feedback and observations to ensure channel condition and water turbidity are at reasonable standards for delivery.

### COVID-19 advice for producers

The NSW Department of Primary Industries has a dedicated Liaison Team to assist primary producers to handle the impacts of COVID-19 on their business, and the industry.

Information, toolkits, industry guidelines and more resources can be found by heading to their website, [here](#).

Last issued quarter – Two (December)

Issue date – Friday, 22 January 2021

Due date – Monday, 1 March 2021

**Sept 2020 invoices are now overdue.**
