General Security Water Allocation

On Thursday, 1 July 2021 the Department of Planning, Industry and Environment (DPIE) announced a three percent General Security allocation for the 2021/22 season.

You can view the announcement [here](#).

WaterWell - Allocation Advance

The DPIE allocation announcement has triggered an eight percent Allocation Advance from our WaterWell suite of products.

This water has been applied to eligible customer accounts on Thursday, 1 July 2021.

To receive the Allocation Advance your account must be within terms.

To realise the full potential of the Allocation Advance customers can borrow WE's by submitting a [Form 6M](#).

Further explanation and detail can be found [here](#).

Winter Operating Mode

To assist with our transition out of Winter Operating Mode into the irrigation season, we will soon be asking customers to advise us of any early irrigation intentions.

This will help us balance water efficiency with service levels.

Customers in Non-Maintenance Zones can continue to access water orders however supply is not guaranteed.

Customer Operational Meetings

Did you miss the recent Customer Operational Meetings? The video presentation is available on our [website](#), and allows you to skip to the topics of greatest interest

Customer Portal

The [Murray Irrigation Customer Portal](#) gives you 24/7 access to water ordering, the Water Exchange and more.

You can book an appointment with our Customer Accounts team to learn how to get the most from your Customer Portal in a way that works for you.

2021 Member Director Election

Nominations are being sought to fill two Member Director vacancies on the Murray Irrigation Board of Directors.

If more than two nominations are received an electronic ballot will be held.

Written nominations must be lodged with Murray Irrigation's *Returning Officer* by 5.00pm on Monday, 2 August 2021.

Information and nomination forms are available on Murray Irrigation's [website](#).

For enquiries call 1300 138 265 or email companysecretary@murrayirrigation.com.au

AgSkilled Funded Training

TAFE NSW Finley Campus has received funding to deliver the Agricultural Chemical Skill Set (AHCSS00074).

The course will be held on Thursday 12 and Friday 13 August 2021.

For further enquiries and to register please contact the Finley TAFE Campus on 03 5883 9702.

Charles Sturt University - River System Survey

Take part in the Edward/Kolety-Wakool River System Survey!

A survey has been developed by researchers, with help from people who live and work in the Edward/Kolety-Wakool River System that can help water managers and user groups plan activities and communication.

Complete the survey [here](#).
