## General Security Water Allocation

The Department of Planning, Industry and Environment (DPIE) announced a 16 percent increase to General Security allocation yesterday, 2 August 2021.

This brings the total allocation to 26 percent.

You can view the announcement [here](#).

## Sustainability Product offers

Offers have been made to customers who submitted an Expression of Interest (EOI) for our Sustainability Product.

The Sustainability Product was oversubscribed and offers were a pro-rata amount based on the number of permanent Delivery Entitlements (DE) held by the customer.

A reminder that offers cannot be altered and must be accepted by 5pm tomorrow, 4 August 2021, with the water being made available on customer accounts no later than Friday, 6 August 2021.

## WaterWell with Josh Bode

*Understanding WaterWell – what it is and what it means for you.*

Josh Bode, Murray Irrigation's Customer Operations Business Manager, takes a few minutes to explain all about our WaterWell suite of products and how this impacts your farming operations.

## Supplementary Event

DPIE-Water has [extended access to supplementary water](#) in our area of operations.

Customers with outlets ready to deliver water have been notified and we will continue to issue SMS notifications to customers as operating levels are achieved across our system and more outlets become capable of water delivery.

Customers are encouraged to place an order as soon as possible after receiving

the SMS notification to enable us to plan the deliveries.

## Rural Aid support

Rural aid is offering primary producers in current mouse plague affected areas a one off \$1000 payment to assist during this disaster.

## Rice Industry Awards Gala Dinner

An evening to recognise outstanding achievements in the rice industry will be held on Thursday, 12 August 2021 at the Whitton Malt House.

The evening includes the presentation of the SunRice Grower of the Year Award and the Port of Melbourne Highest Yield Award.

You can register your attendance [here](#).

## Mentoring program

The Drought Resilience Leaders Mentoring Program (DRLM) is the first part of a three-part program aimed at strengthening and building resilience across our region.

The program invites knowledgeable individuals to share their experience to build future drought resilience in farming enterprises and rural communities.

The program will be primarily conducted online so applications from all interested parties are welcome, regardless of location.
