

Water Allocation Account balances

Information to help you manage your account for the end of the season was sent by email to customers on 19 May.

Read more about how to prepare for End of Season [here](#).

You can also get this information in your Water Allocation Report, which can be downloaded from your [Customer Portal](#) on the Water Ordering home page under Usage.

Reminder carryover is capped at 50 percent of Class C water entitlements held, any volume exceeding this will be forfeited at the end of the season.

Your water allocation account

Diversions

Customers are reminded that both the Mulwala and Wakool offtakes are closed, so we are unable to divert water to replenish the channel system.

This means that you may not be able to access water deliveries if levels in your area are too low.

If you want to stay up to date on work at Lake Mulwala, see [MDBA weekly reports](#).

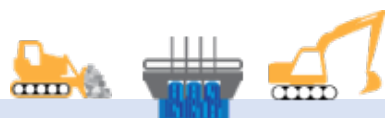

Reporting - Winter works

Preparations for winter works are ahead of schedule with all areas successfully drained.

Starting next week, we will be reporting our progress towards completing our planned maintenance program in the table below.

We will keep you informed if we experience weather delays, or if inspections result in significant reprioritisation.

Winter Works 2022

	Planned
Asset Maintenance civil remediation, servicing & replacement of gearboxes & sensors	598
Inspections structure inspections while the channels are empty	570
Channel Maintenance bank building, de-silting for weed removal and batter protection	approx. 180km
In Season Works critical maintenance work required in non-maintenance zone areas	65

Winter water delivery

Non-guaranteed water supply is available in 2022 area not closed for maintenance. Check your Area via the "My Outlets" tab on your [Customer Portal](#).

If you want to discuss the program, let us know and we will get in touch.

Performing our winter works safely and with as little disruption as possible to customers is our highest aim. Please let us know if you have any concerns.

Foreign Ownership

Remember to report any changes your foreign ownership status by 30 June 2022, more information [here](#).

2022 Trade closure dates

5.00pm Wednesday 22 June – closure of Water Exchange (WEX)

5.00pm Friday 24 June – closure of external transfers to / from Murray Irrigation
