

# Land Sustainability Information – Drainage into the drainage system

---

## **Drainage into drains: Information**

Approval is required to discharge water into Murray Irrigation's drainage system.

Discharge into the drainage system is only permitted via a drainage inlet.

Discharge into the drainage system can only be commenced after approval has been received from Murray Irrigation.

It is the landholders' responsibility to close drainage inlet slides into the drainage system at the end of the approved discharge event.

For further information, please contact Customer Support on 1300 138 265.

**Form - Discharge water into drainage system**

**Landholding Number:** (e.g. E/Q/D/M/T/WXXX) \_\_\_\_\_

**Name:** \_\_\_\_\_

**Phone:** \_\_\_\_\_ **Mobile:** \_\_\_\_\_

**Farm information**

List enterprise on the holding (eg: pasture, wheat, rice, dairy, canola): \_\_\_\_\_

(Note: Dairy enterprises will be required to provide a water sample)

Does the holding use groundwater for irrigation from a spearpoint or deep bore?      Yes

    If yes, a water sample will be required in all circumstances                                      No

**Application details**

Name of drainage channel: \_\_\_\_\_

Reason for request to dispose of stormwater: \_\_\_\_\_

Requested commencement date: \_\_\_\_\_

Duration: \_\_\_\_\_

Approximate volume/day (i.e. size of pump): \_\_\_\_\_

Location of pump: \_\_\_\_\_

Have chemicals been applied to the landholding in the last 28 days?      Yes      No

    If yes, please list the chemicals applied and date of application:

\_\_\_\_\_

\_\_\_\_\_

Have fertilisers been applied to the landholding in the last 28 days?      Yes      No

    If yes, please list the fertilisers applied and date of application:

\_\_\_\_\_

\_\_\_\_\_

**Signature:** \_\_\_\_\_

**Date:** \_\_\_\_\_

Please return the completed application form email or in person:

**Email:** customersupport@murrayirrigation.com.au

**In person:** Deniliquin or Finley or Wakool Office during office hours

---

**OFFICE USE ONLY:**

Water sample required:    Yes    No

Water sample to be supplied by landholder:    Yes    No

If YES, date water sample received: \_\_\_\_\_

Water sample to be collected by Murray Irrigation:    Yes    No

If YES, date sample collected: \_\_\_\_\_

Water sample test results:

EC: \_\_\_\_\_  $\mu\text{S/cm}$

**Period of Approval:**

Date commencing: \_\_\_\_\_ Date finishing: \_\_\_\_\_

Landholder Notified by: \_\_\_\_\_ Date: \_\_\_\_\_

Comments: \_\_\_\_\_
