

WaterWell announcement

The Board of Directors have approved the 2022/23 Resource Management Strategy. The Strategy outlines how Murray Irrigation will distribute water to customers through the suite of WaterWell products.

2022/23 WaterWell Products

Allocation Advance

Murray Irrigation will provide eligible customers a five percent Allocation Advance for this irrigation season. This volume will be applied to eligible customer accounts by COB today 1 July.

Allocation Advance

Murray Irrigation will offer 40GL to customers at a discounted price. Further information about this product will be released later.

Water Users Credit

A five percent credit will be applied to every megalitre used on farm through a compliant outlet.

Resource Distribution

Murray Irrigation will continue to assess any water savings throughout the year. Further information on the potential for a Resource Distribution will be provided at a later date.
